Directions:

1. Position the half flower insert Edgeabilities die onto the $1\frac{1}{2}$ " x $3\frac{7}{8}$ " piece of Petal Soft CS, about $\frac{3}{4}$ " up from the bottom. Hold the die in place, using Removable Tape Matte. Run this through the Grand Calibur.
2. Remove the die from the $1\frac{1}{2}$ " x $3\frac{7}{8}$ " piece of Petal Soft CS. Position the half flower insert Edgeabilities die onto the $1\frac{1}{2}$ " x $3\frac{7}{8}$ " piece of Petal Soft CS again, this time on the top portion of the CS. You want to make sure you align the die with the cut out portions of the flowers, as shown in the video. Hold the die in place, using Removable Tape matte. Run this through the Grand Calibur. You now have a flower border strip of Petal Soft CS.
3. Stick the Petal Soft CS flower border strip onto the 2" x $3\frac{7}{8}$ " piece of Sienna Spirit DP, using double sided adhesive.
4. Stick a large black rhinestone in the center of each of the flowers on the Petal Soft CS flower border strip.
5. Stick a $4\frac{1}{4}$ " piece of $\frac{1}{8}$ " Black Velvet ribbon to the top of the Petal Soft CS flower border strip, using Fabri-tac. Trim off the ends using ribbon scissors.
6. Stick a $4\frac{1}{4}$ " piece of $\frac{1}{8}$ " Black Velvet ribbon to the bottom of the Petal Soft CS flower border strip, using Fabri-tac. Trim off the ends using ribbon scissors.
7. Thread a pink button with a 2" piece of Black Jute. Stick the ends of the jute down to the back of the button, using mini glue dots. Trim off the ends of the jute, using ribbon scissors. Repeat with the second button.
8. Center and stick the $3\frac{7}{8}$ " x $5\frac{1}{8}$ " piece of Rose's Rendering DP onto the 4" x $5\frac{1}{4}$ " piece of Ebony CS, using double sided adhesive.

9. Fold the 4 ¼" x 11" piece of Taffy CS in half, with a bone folder, creating a 4 ¼" x 11" card base.
10. Center and stick the matted 3 ⅞" x 5 ⅞" piece of Rose's Rendering DP onto the front of the card, using double sided adhesive.
11. Stick the matted Petal Soft flower border strip to the card, about ⅜" up from the bottom of the card, using double sided adhesive.
12. Using the Sprinkles Thickers stickers, stick the letters for the word "hi" onto the right hand side of the card, just above the Black Velvet ribbon.
13. Stick two threaded buttons to the card, one on each side of the greeting, using a mini glue dot. You're done!
