Dimensions:

- More Mustard CS: a 4 ¼" x 11" piece
- Java CS: a 3 ⅞" x 5 ⅛" piece
- Crumb Cake CS: a 3 ¾" x 5" piece
- Very Vanilla CS: a scrap piece

Directions:

1. Fold the 4 ¼" x 11" piece of More Mustard CS in half, with a bone folder, creating a 4 ¼" x 5 ½" card base. Set aside for a moment.
2. Ink up the solid leaf image stamp, using More Mustard Classic ink. Ink up the script stamp, using Early Espresso Classic ink. Press the leaf stamp onto the script stamp to transfer the script image onto the leaf stamp. This is known as the kissing technique. Stamp the kissed leaf onto a scrap piece of Very Vanilla CS.
3. Ink up the solid leaf image stamp, using Cherry Cobbler Classic ink. Ink up the script stamp, using Early Espresso Classic ink. Press the leaf stamp onto the script stamp to transfer the script image onto the leaf stamp. Stamp the kissed leaf onto a scrap piece of Very Vanilla CS.
4. Ink up the small leaf image stamp, using Pumpkin Pie Classic ink. Ink up the script stamp, using Early Espresso Classic ink. Press the leaf stamp onto the script stamp to transfer the script image onto the leaf stamp. Stamp the kissed leaf onto a scrap piece of Very Vanilla CS.
5. Ink up the small leaf image stamp, using Old Olive Classic ink. Ink up the script stamp, using Early Espresso Classic ink. Press the leaf stamp onto the script stamp to transfer the script image onto the leaf stamp. Stamp the kissed leaf onto a scrap piece of Very Vanilla CS.
6. Cut out all four leaf images, leaving a narrow border, using paper snips.
7. Distress all four sides of the 3 ¾" x 5" piece of Crumb Cake CS, using the blade on your paper snips.
8. Distress all four sides of the 3 ⅞" x 5 ⅛" piece of Java CS, using the blade on your paper snips.
9. Stamp the greeting in the bottom right hand corner of the 3 ¾" x 5" piece of Crumb Cake CS, using Early Espresso Classic ink.
10. Lightly spritz the 3 ¾" x 5" piece of Crumb Cake CS, using the Latte Metallic Maya Mist. Set this aside to dry.
11. Center and stick the 3 ¾" x 5" piece of Crumb Cake CS to the 3 ⅞" x 5 ⅛" piece of Java CS, using double sided adhesive.
12. Center and stick the matted 3 ¾" x 5" piece of Crumb Cake CS to the card base, using Stampin' Dimensionals.

13. Stick the four leaves to the card, as shown, using Stampin' Dimensionals.
14. Color three small basic rhinestones, using an E79 Copic marker.
15. Stick the three colored rhinestones to the card, in the bottom right hand corner, just under the greeting. You're done!
