## Directions:

1. Fold the 4  $\frac{1}{4}$ " x 11" piece of Very Vanilla CS in half, with a bone folder, creating a 4  $\frac{1}{4}$ " x 5  $\frac{1}{2}$ " card base. Set aside for a moment.
2. Stick the 2" x 5" piece of Holiday Cheer DP to the top of the 3  $\frac{7}{8}$ " x 5  $\frac{1}{8}$ " piece of Cherry Cobbler CS, leaving equal borders on the left, top and right hand sides, using double sided adhesive.
3. Stick the 2  $\frac{1}{2}$ " x 5" piece of December 25 DP to the bottom of the 3  $\frac{7}{8}$ " x 5  $\frac{1}{8}$ " piece of Cherry Cobbler CS, leaving equal borders on the left, bottom and right hand sides, using double sided adhesive.
4. Lay the 6" piece of Burgundy  $\frac{5}{8}$ " Velvet ribbon over the 3  $\frac{7}{8}$ " x 5  $\frac{1}{8}$ " piece of Cherry Cobbler CS, covering the seam of the two patterns of DP. Wrap the ends of the ribbon around to the back of the CS and stick them down, using double sided adhesive.
5. Center and stick the 3  $\frac{7}{8}$ " x 5  $\frac{1}{8}$ " piece of Cherry Cobbler CS to the card base, using Stampin' Dimensionals.
6. Stamp the greeting onto a scrap piece of Very Vanilla CS, using Early Espresso Classic ink.
7. Lay the third smallest die from the Labels Eighteen Collection over the greeting, centering the greeting. Hold the die in place with a piece of Matte Removable Tape and run this through the Grand Calibur, die cutting and embossing the label.
8. Die cut and emboss a label from a scrap piece of Cherry Cobbler CS, using the fourth smallest die from the Labels Eighteen Collection and the Grand Calibur.
9. Stick the greeting label to a scrap piece of Java CS, using double sided adhesive.
10. Cut around the greeting label, leaving a narrow Java CS border, using paper snips.
11. Center and stick the matted greeting label to the Cherry Cobbler CS label, using Stampin' Dimensionals.

12. Stick the matted greeting label to the card, directly over the ribbon, using Stampin' Dimensionals.
13. Stick two Cherry Cobbler Designer buttons to the card, one on each side of the greeting label, directly over the ribbon, using mini glue dots. You're done!
