- Lace Trim: three 5 ½" pieces (all different patterns)

Directions:

1. Fold the 4 ¼" x 11" piece of Orange Zest CS in half, with a bone folder, creating a 4 ¼" x 5 ½" card base. Set aside for a moment.
2. Lay the 3 ⅞" x 5 ⅞" piece of White CS onto some paper towels on top of a non-stick craft mat.
3. Lay a 5 ½" piece of lace trim over the bottom of the 3 ⅞" x 5 ⅞" piece of Stamper's Select White CS. Spritz the Stamper's Select White CS, directly over the ribbon, using the Dylusions Crushed Grape ink spray, moving the spray bottle from left to right as you spritz. Remove the piece of lace.
4. Lay a second 5 ½" piece of lace trim onto the center of the 3 ⅞" x 5 ⅞" piece of Stamper's Select White CS. Spritz the Stamper's Select White CS, directly over the ribbon, using the Dylusions Bubblegum Pink ink spray, moving the spray bottle from left to right as you spritz. Remove the piece of lace.
5. Lay the third 5 ½" piece of lace trim onto the top of the 3 ⅞" x 5 ⅞" piece of Stamper's Select White CS. Spritz the Stamper's Select White CS, directly over the ribbon, using the Dylusions Squeezed Orange ink spray, moving the spray bottle from left to right as you spritz. Remove the piece of lace. Heat this with a heat tool until the ink is dry.
6. Stick a 3 ½" piece of chevron pattern washi tape onto the right hand side of the 3 ⅞" x 5 ⅞" piece of Stamper's Select White CS, about 1 ¼" up from the bottom of the Stamper's Select White CS. Wrap the right hand edge of the washi tape around to the back of the Stamper's Select White CS and stick it down.
7. Stick a 3 ¼" piece of polka dot pattern washi tape onto the right hand side of the 3 ⅞" x 5 ⅞" piece of Stamper's Select White CS, about 1" up from the bottom of the Stamper's Select White CS. Wrap the right hand edge of the washi tape around to the back of the Stamper's Select White CS and stick it down.
8. Center and stick the 3 ⅞" x 5 ⅞" piece of Stamper's Select White CS to the 4" x 5 ¼" piece of Ebony CS, using Tombow Mono Multi Liquid Glue.
9. Center and stick the matted 3 ⅞" x 5 ⅞" piece of Stamper's Select White CS to the folded card base, using Tombow Mono Multi Liquid Glue.
10. Using the Newsprint Alphaparts, stick the letters for the word "Thanks" to the card, just above the black chevron washi tape. You're done!
