## **Directions:**

1. Fold the 4 ¼" x 11" piece of Whisper White CS in half, with a bone folder, creating a 4 ¼" x 5 ½" card base. Set aside for a moment.
2. Stick a 6" piece of gray diagonal washi tape on the left side of the 4 ¼" x 5 ½" piece of Whisper White CS, ¼" in from the left hand edge. Wrap the ends around to the back of CS and stick them down.
3. Stick a 6" piece of yellow gingham washi tape on the 4 ¼" x 5 ½" piece of Whisper White CS, about ⅛" to the right of the gray diagonal washi tape. Wrap the ends around to the back of the CS and stick them down.
4. Trim the 4" x 5 ½" piece of Whisper White CS so that you have about a 1/16" border to the right of the yellow gingham washi tape.
5. Dry emboss the remnant of the 4" x 5 ½" piece of Whisper White CS, using the Honeycomb embossing folder and the Big Shot.
6. Trim the dry embossed CS so that it is 5 ¼" high, using a paper trimmer.
7. Stamp the chevron pattern oval image onto a scrap piece of Whisper White CS, using Daffodil Delight Classic ink.
8. Stamp the greeting on the right hand side of the stamped oval image, about ½" in from the right edge, using Jet Black StazOn ink.
9. Die cut the stamped oval image, using the third smallest die in the Oval Collection Framelits and the Big Shot.
10. Stick the dry embossed Whisper White CS to the card base, leaving equal borders on the right, top and bottom, using Tombow Mono Multi Liquid Glue.
11. Stick the greeting to the card, about ½" up from the bottom of the card ⅞" in from the right edge, using Tombow Mono Multi Liquid Glue.
12. Stick the strip of Whisper White CS with the washi tape onto the card, aligning the left edge of the CS with the left edge of the card, using Stampin' Dimensionals.
13. Stick two buttons in the bottom left hand corner of the greeting, as shown in the above photo, using glue dots.
14. Randomly stick some rhinestones on the card. You're done!
